Points scoring is based on the MSF Super Turismo Sporting Regulations:

Article 15. CHAMPIONSHIP POINTS

15.1 Championship points will be awarded in to each competing Driver + Car combination, based on Competition Number, in each Category:

- Championship points are awarded to the Competition Number that belongs to the Driver + Car combo.
- To maintain Championship Points with a particular combination based on Competition Number, at minimum either the Car or the Driver must be maintained.
- Example case: Ahmad starts the year with Competition Number 33, driving his Blue Honda Civic EK9.
- + Next race, Ahmad can drive but the car is spoilt, and chooses to borrow Mutusamy's car which is a White Honda Jazz, and run under #33. This is acceptable because the Driver is maintained by the Car + Driver combo.

- + Next race, Ahmad cannot drive and nominates Ah Kow to drive the Blue Honda Civic EK9 #33. This is acceptable because the Car is maintained by the Car + Driver combo.
- + The following race, Ahmad cannot drive and the car is spoilt. Ah Kow chooses to borrow Mutusamy's car, the White Honda Jazz, and run under #33. This is NOT ACCEPTABLE because neither the Car nor the Driver is maintained. This would be a completely different Car + Driver combo.
